THE ROAD BEHIND THE MUSIC.

DEF3 / TOURING & MARKET HISTORY

A documented cross-genre career in Canadian clubs and festivals, U.S. regional routes, European tours and international performances - with major-stage live-vocal appearances and headline engagements.

2008-2026 DATED REGISTER / JAPAN 2006 ARTIST-REPORTED ADDENDUM

A PROVEN ROUTING FOOTPRINT.

DEF3 bridges underground hip-hop and electronic bass. The touring record spans repeat regional markets, international showcase stages, headlining engagements and featured appearances alongside established artists.

CANADA

WESTERN CANADA + NATIONAL ROUTES

Recurring Vancouver, Victoria, Whistler, Salmo, Regina, Saskatoon, Calgary, Edmonton, Winnipeg, Ottawa, Toronto and Montreal appearances; Saskatchewan and BC remain deep repeat markets.

UNITED STATES

FESTIVAL + CLUB MARKETS

Colorado/Red Rocks, Denver, Fort Collins, Oregon/Portland/Eugene, Washington/Seattle, California, Montana, Utah, Idaho and Texas, plus Louisville and Covington headline shows.

EUROPE

SHOWCASES + CLUB ROUTING

Dated runs and appearances in France, Germany, Netherlands, Austria, Czechia, Bosnia and Herzegovina, Switzerland, Estonia and the United Kingdom, among others listed in the register.

PACIFIC + LATIN AMERICA

AUSTRALIA / NZ / JAPAN / COSTA RICA

Australian and New Zealand dates documented in 2016-17; Envision in Costa Rica (2020); artist-reported April 2006 Japan concerts without dated venue archive.

MARKET FOOTPRINT IS HISTORICAL - NOT A CLAIM OF CURRENT TICKET DEMAND OR VENUE CAPACITY.

THE ROOMS. THE MOMENTS.

RED ROCKS / MORRISON, COLORADO

Three featured live-vocal appearances with Late Night Radio (2016), The Funk Hunters (2018) and K+lab (2024). Not DEF3 solo headline engagements.

2010 VANCOUVER WINTER GAMES

Saskatchewan Pavilion performance dates Feb 12-14, 2010, plus other Olympic-period Vancouver performances. The pavilion engagement was not the official opening ceremony.

CANADIAN FESTIVAL CIRCUIT

Shambhala, Electric Love, Wicked Woods, Friendzy Fest, Rifflandia, Victoria Ska & Reggae Festival, Saskatchewan Jazz Festival and other recurring provincial festival bookings.

EUROPEAN ROUTING

2010 France/Germany/Netherlands; 2014 France/Germany/Austria/Netherlands; 2015 Germany/France/Netherlands/Bosnia; 2017 European dates alongside Masta Ace.

AUSTRALIA / NEW ZEALAND

November-December 2016 club/festival dates across Australia and New Zealand; Earth Frequency Festival and Melbourne club engagement in February 2017.

HEADLINE & FEATURED SUPPORT

Artist-listed Louisville and Covington, Kentucky headline appearances (January 2025); Whistler Fire & Ice event headliner (Dec 2025); multiple billed support and guest appearances.

HOW TO USE THIS HISTORY.

The dated register is the central source of past market presence, not a ticket-sales report. Bookers should use it to identify prior city and venue exposure; audience figures, guarantees, hard-ticket history and production advances require separate confirmation.

MAJOR FESTIVAL EXAMPLES

Shambhala (BC) / Lightning in a Bottle (California) / Envision (Costa Rica) / Earth Frequency (Australia) / Hip Hop Kemp (Czechia) / Tallinn Music Week (Estonia) / Wicked Woods + Electric Love (BC).

CULTURE + MUSIC SHOWCASES

SXSW / NXNE / CMW / MIDEM / POP Montreal / JUNOFest / BreakOut West / Rifflandia / Prairie Scene; a mix of festival, trade and club events.

NOTABLE ROOM TYPES

Theatre, festival, club, support, guest vocal and headline event. Appearance type varies; an artist listed with a headliner is not automatically a headliner himself.

MANY LISTINGS COME DIRECTLY FROM THE ARTIST'S ORIGINAL DATE / CITY / VENUE REGISTER.

2026

6 LISTED APPEARANCES

THE RECORD. THE CONTEXT.

This document contains 431 dated entries transcribed from the artist-provided EPK show register (2008-2026), plus a separately identified artist-reported April 2006 Japan touring note. Entries are historical engagements, not a warranty of exact venue names, capacities, settlements, billing order or current demand.

SOURCE OF RECORD

DEF3 original 611-line EPK text supplied by the artist, section PERFORMANCE HISTORY. Date and venue spellings normalized only where corrections were clear; unclear originals remain artist-reported.

EXTERNAL CROSS-CHECKS

SaskMusic (2017 artist profile), Concert Archives (sample event listings), Songkick (selected dated bookings), and DEF3 official website (artist biography, career claim). Coverage is partial; no external site independently validates all entries.

ASSIGNMENT OF BILLING

A shared bill, guest microphone appearance, support date or showcase is not represented as a solo headline show. The 2010 Saskatchewan Pavilion performances are distinguished from the official Olympic opening ceremony.

SOURCE CAVEATS

Source has occasional typos, overlapping dates, duplicated or joined records and entries with year inferred from nearby dates. January 2025 Kentucky venue naming and some older regional listings merit reconfirmation before capacity/settlement use.

NOT A FINANCIAL LEDGER

No historical ticket sales, email lists, venue capacities, fee quotes, press markets or promoter settlement records were supplied. Add these privately in an agent-only ledger if available.
